Organic Swiftlet Farm - are small group of people that is dedicated in edible bird nest farming. We have our own piece of agriculture land measuring 10 hectar, and located in the swiftlet flight path. Left right is fruits farms that produce natural insect as swiftlet food, and forest at the mountain area. With natural waterfall nearby that is commonly visited by swiftlet as playground, for water, and for insect. The location is PERFECT for swiftlet farming! With natural environment free from polution, and feeding the swiftlet with pesticide-free fruits fly, we are able to produce Organic Bird Nest at highest quality.

Organic Swiftlet Farm Investment - Nature of our business is to develop bird house and lease it at most reasonable price. With excellent fully managed turn key bird house, Price as low as RM100k per bird house (USD30k), you can own a fully operational high tech bird house. Equip with swiftlet audio system, nesting plank, water sprinkle cooling system, humidifier, air ventilation, roving area, nesting area, proper temperature & humidity & lighting control, security system, pest control system, and many more.

* A maximum of 30 units of bird house will be developed in the 10 hectar of land. Remaining land are utilised for organic fruit trees and producing sufficient organic food for the swiftlet population.
